

POINT LARGE MINGLE

This pouf will make your home right on point.

Here's the story

Point Large Mingle is an island of relaxation. This oversized pouf is surprisingly comfortable. What's more, it's always there for your snacks, drinks, friends and - very importantly - your feet. Slump down on it as hard as you like; Point Large Mingle's non-slip bottom will keep it firmly in place. Keep your shoes on too if you use it as a footstool. Any dirt can easily be wiped off. From TV bingeing to drinks way into the small hours, Point Large Mingle is always up for big fun.

Very ready to mingle

Point Large Mingle is making a big point of comfiness. The bouclé version gives it a certain panache, with a nod and a wink. Its coarsely woven fabric is chic, nonchalant and super strong. Mixing threads of different shades gives the fabric a beautiful color mélange. Its colors will complement any interior – as well as the whole Fatboy collection. It combines perfectly, for example, with The BonBaron Mingle, made of exactly the same fabric.
